BENEFIT PLANS A, F, G AND J

These charts show the benefits included in each of the standard Medicare supplement plans. Every company must make available Plan “A.” Some plans may not be available in your state. See Outlines of Coverage sections for details about ALL plans.

Basic Benefits for Plans A through L:

Hospitalization: Part A coinsurance plus coverage for 365 additional days after Medicare benefits end
 Medical Expenses: Part B coinsurance (generally 20% of Medicare-approved expenses) or copayments for hospital outpatient services
 Blood: First 3 pints of blood each year

*Plans F and J also have an option called a high deductible Plan F and a high deductible Plan J. These high deductible plans pay the same benefits as Plan F and J after one has paid a calendar year \$2,000 deductible. Benefits from high deductible Plans F and J will not begin until out-of-pocket expenses exceed \$2,000. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plans' separate foreign travel emergency deductible.

**Plans K and L provide for different cost-sharing for items and services than Plans A through J. Once you reach the annual limit, the plan pays 100% of the Medicare copayments, coinsurance and deductibles for the rest of the calendar year. The out-of-pocket annual limit does NOT include charges from your provider that exceed Medicare-approved amounts, called “Excess Charges.” You will be responsible for paying excess charges.

***The out-of-pocket annual limit will increase each year for inflation.

Disclosures

Use this outline to compare benefits and premiums among policies.

Premium Information

We, United of Omaha, can only raise your premium if we raise the premium for all the policies like yours in the same geographic area of the state where you live.

Risk Class Rating

If, according to our underwriting standards, you are overweight or underweight for your height, you will be considered to be a greater insurable risk. In such a case, your premium will be priced either as Class I - 10% or Class II - 20% higher than the rates illustrated, based on your Body Mass Index (BMI) reading. Risk class rating will not be applicable when you apply for coverage during an open enrollment or guaranteed issue period.

Household Premium Discount

If you reside with your spouse or domestic partner at the time of application, you may be eligible for the household premium discount. The discounted premium will be priced 12% lower than the rates illustrated.

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right to Return Policy

If you find that you are not satisfied with your policy, you may return it to United of Omaha Life Insurance Company, Mutual of Omaha Plaza, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

The policy may not fully cover all of your medical costs. Neither United of Omaha nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

Complete Answers Are Very Important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The Company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

Renewability of Policy

We will renew this policy each time you pay the premium. It must be paid by the date it is due or during the 31 days that follow. Nonrenewal will not affect an existing claim.
